Subject: Summary of August BDAC Meeting and Additional Materials

Enclosed are some additional materials mentioned at the recent BDAC meeting that may be of interest to you:

- **Materials for the September 14 public workshop.** The 2nd CALFED Bay-Delta Program public workshop will be held at the Hilton Hotel, 2200 Harvard, in Sacramento, CA on September 14, 1995 from 9:00 a.m. to 5:00 p.m. The purpose of this workshop will be to review and discuss the problem summary and begin to discuss objectives and mission statement. We have incorporated concerns raised at the last BDAC meeting in addition to other comments we received by August 28. Updated Problem Summaries and other materials are being provided to previous workshop participants and other interested publics in preparation of the upcoming meeting. We have also provided you with this material and encourage BDAC members to attend the workshop. If you plan to attend or if you have any questions about the material, please contact Sharon Gross at (916) 657-2666. If you have any comments on this material, please provide them to Sharon as soon as possible and no later than September 15.
- **Attendees from the August 3 public workshop.** As requested at the August 16 BDAC meeting, we have attached a list of individuals who attended the CALFED Bay-Delta Program Public Workshop on August 3, 1995.
- **Summary from the August 16 BDAC Meeting.** We have prepared a brief meeting summary outlining the major areas of discussion from the August 16 BDAC meeting. We will also maintain a record of detailed minutes and can make those available to BDAC members who request them.
